COMPANY OVERVIEW

At HAAAN Group Inc., we deliver high-impact consulting, training, and technology solutions that help government agencies and businesses work smarter and move faster. As a proud VetHUB member and PMI Authorized Training Partner (ATP), we specialize in agile transformation, PMP® certification training, workforce development, and digital modernization — with a relentless focus on measurable results. We don't just advise; we roll up our sleeves and partner with you to drive success from day one.

Let's collaborate to bring innovation, efficiency, and equity to the heart of your mission.

CORE COMPETENCIES

Workforce Development

Building skilled, mission-ready teams through targeted training programs.

Digital Modernization

Transforming legacy systems and processes with Agile-driven technology strategies.

Agile Transformation

Implementing SAFe®, Scrum, and Kanban frameworks across enterprise and federal clients.

PMP® Certification Training

PMI ATP-authorized exam prep delivering 35 contact hours — live virtual and in-person.

Professional Development

Scaled Agile, PMI, and leadership training tailored to your organization's goals.
